

45A Monash Ave, Como

A Journey Through Time!

Your heart will be warmed in one way or another as you step into this charming 3 bedroom 2 bathroom street-front home where gorgeous original character towards the front of the house meets a quality modern extension at the rear.

Its perfect position opposite Collier Primary School is simply an added bonus, whilst Cosmos Food Store only metres away proves that the old "corner deli" is still very much alive in some parts of Perth. There, you will also find a hair spa, physiotherapist, Pilates studio and more.

Beyond a gated yard and beautiful white picket fence lie soaring high ceilings, solid wooden Jarrah floorboards, feature skirting boards and decorative cornices of yesteryear. The front master bedroom is the most spacious of the three and both bathrooms have been cleverly revamped or designed to a very high standard, whilst a stunning French door reveals a large kitchen with room for casual meals if needed, a stainless-steel Emilia five-burner gas cooktop/oven, a sleek white Whirlpool dishwasher and attractive glass splashbacks.

Another French door opens to a large dining area that splendidly overlooks the massive sunken L-shaped living room. With maximum functionality firmly in mind, this zone is light, bright, leaves space for a study nook and seamlessly extends outdoors to a private and leafy courtyard entertaining deck via sliding-stacker doors. It really is the perfect place to sit, relax and unwind, no matter what the time of day.
